

MAGNIFIER LUMINAIRE TEVISIO, LED

Continuous dimming. Easy to adjust.

Absolutely scratch-proof magnifying glass

Ø 160 mm light field.

TEVISIO supports demanding viewing tasks with ergonomic perfection. Whether in the medical field, in electronic, metal or watch sector, whether in assembly, workshop or inspection: TEVISIO is essential wherever demands on viewing are highest.

With its highly developed LED technology, innovative arm technology and a field of vision ideally matched to the distance to the eye, the TEVISIO magnifier luminaire offers optimum efficiency and ergonomics at the workplace.

Maintenance-free LED technology, for strong, large-area and uniform lighting. Good contrast viewing and very good colour recognition. Continuous dimming. Variants with segment switching (visualizer function) for detecting very fine structures and errors.

Robust aluminium housing. Closed design for protecting the user and the integrated technology. Absolutely scratch-proof magnifying glass, optionally antireflective or with additional lens.

Large field of vision for distortion-free viewing. Approximately double magnification. Uniquely mobile and balanced arm with vast radius of action.

Also available in ESD design.

May we send you an offer?

This is how it works:

- 1) "Shop" like in any webshop.
- 2) Fill in some very basic contact info. The zip code is important to let us calculate freight.
- 3) Press "send".

The offer, sent by e-mail if nothing else is chosen, is free of charge and any obligations. It will be sent to you as soon as we've received a freight offer from our freight contacts.
