

## Ergobjörn parcel trollies

### PARCEL TROLLEY MODEL 400

Very good for transporting garbage bags and cardboard. The large castors in combination with a robust chassis makes the trolley easy to handle while heavily loaded. Sturdy posts in each gable corner, so that the trolley may handle load up to 500 kg.

With its siderails opening outwards, it's easy to pack heavier load. The siderails secures the load during transportation.

Two fixed and two swivel black rubber 200x50 mm castors.

Max load 500 kg.
