

Ladder trollies

LADDER TROLLEY MODEL 100 and 200

Trolley including a fold-out 60 cm high ladder that automatically returns to its original position after use. Max user height on ladder ca 250 cm.

Ergonomic design, sturdy handles. Shelf profile 25x20 mm. An edge keeps the load safely in place. The shelves on model 100 are variably height adjustable and fully removable on model 200. Shelf size 620x425 mm. Document holder included.

Max load

Model 100: Overall 200 kg, per shelf 100 kg.

Model 200: Overall 300 kg, per shelf 150 kg.

Castors

Model 100 has four grey swivel 125x32 mm castors, while model 200 has three swivel 125x32 mm castors plus two mid-mounted black rubber 200x50 mm castors.
