

Portable Tarsus massage tables

Sjöbloms manufactures the well respected portable Tarsus massage table. Scores of national and local sports clubs and schools use them.

Design

Chassis in aluminum, pads with artificial leather and 4 cm filling. Collapsible, portable by means of attached handles.

Height

Model MA/TE/ZON 60-80 cm as standard, 70-90 cm as option. Model LITE 50-60 cm. Separate adjustment of each leg.

Length

190 cm (MA/TE/ZON), 160 cm (LITE).

Chassis colour

White as standard (MA/TE/ZON), black as option. LITE always black.

Bag

Optional for MA/TE/ZON, included with LITE.

Width

45-70 cm (MA/TE), 45-50 cm (LITE) and 60 cm (ZON).

Electric/hydraulic chassis

Models MA/TE/ZON can be used with a chassis electrically or hydraulically adjustable, which transforms the portable table to a stationary.
